

Are you man enough.....

Most men don't rape.

All men can help.

I pledge to end sexual violence

I understand that rape is about power, control and violence.

I know that if a woman is sending me mixed signals, I should just ask her what she wants.

I am saddened by the fact that more than 70% of rapes are not reported.

I know that the overwhelming number of perpetrators of sexual violence is men.

I promise if I see a woman in danger, I will speak up for her.

I realize that a rape occurs every 40 seconds in this country.

I PLEDGE:

To never commit, condone, or remain silent about sexual violence

To challenge other men to recognize that they can be powerful without making others powerless.

**As a REAL MAN I know that it is part of my
duty to create a safer place for our mothers,
sisters, friends, lovers and daughters.**
