

1 **Declaration Of Blair Barnette**

2 I, Blair Barnette, declare as follows:

3 I have personal knowledge of the facts stated below and they are true. Where facts are
4 stated on information and belief, I believe them to be true. If called upon to testify, I
5 would and could competently testify thereto. I offer this declaration in lieu of live
6 testimony.

7
8 1. I am making this Declaration to offer what I witnessed of Laura "Pauley" Perrett's
9 writings about harassment and how to manipulate courts, and about certain statements
10 Pauley made to the court which I know to be false, and which I believe to be part of the
11 same pattern of harassment I witnessed in her writings.

12
13 2. In November 2004, I visited Francis Shivers at his house on Whitley Terrace. There
14 he told me about discovering the extramarital affair his wife "Pauley" had with a boy she
15 would only describe as the "pizza boy." He said she was terrified of her sex scandal
16 being exposed and made very frightening threats about what sort of thing she would do
17 if he ever told anybody. He then showed me a script Pauley wrote and explained that
18 Pauley threatened she would do this to him.

19
20 3. I skimmed through the script called "Star Crazy" a bit. It was about a female TV star
21 that wants to ruin an innocent guy's life. For example she lies to get a restraining order
22 against him. The female TV star goes so far as to scratch the guy's initials into her own
23 car just so she could call the police on him, and she talks about getting fans willing to kill
24 for stars the way John Hinckley tried to impress Jodie Foster by assassinating President
25 Reagan. It was creepy to say the least.

1 4. I returned to visit in late December 2004 and I started to see first-hand that Pauley
2 seemed to be doing exactly what she threatened by filing for a restraining order against
3 Mr. Shivers, despite her own story that the only time she had seen him in about six
4 months was when she was entering his residence unannounced in the middle of the
5 night.

6
7 5. I also saw her lies to the court about me. In late December 2004, Mr. Shivers asked
8 if I could serve Pauley with the divorce papers. He said Pauley was purposely avoiding
9 being served and he was waiting for his attorney to get the information about flights that
10 Pauley might be going to meet at LAX. When he got that information I went down and
11 politely served Pauley.

12
13 6. I later recall reading court papers where Pauley lied to the court and said that I
14 stalked her and assaulted her, and that I punched her in the chest and she suffered a
15 sore chest from the attack. Nothing could be further from the truth. Pauley was served,
16 and that is all. It was photographed and witnessed. It was at this point I really saw the
17 "Star Crazy" at work, completely lying to a court, falsely accusing me of assault, simply
18 to further her vindictive goals.

19
20 7. I would like to add that as a 9-11 survivor (I was in the north tower when the first
21 plane hit) I was deeply insulted and disturbed to see that she reported me to airport
22 security for handing her a "mysterious package." I found it extremely callous and
23 unconscionable to take advantage of the paranoia resulting from the terrorist attacks
24 and the innocent deaths. In my mind illustrates how manipulative the "Star Crazy"
25 Pauley Perrette really is.

1 8. I have recently been shown some documents where Pauley is claiming things that I
2 know to be lies because I witnessed them. One thing in particular is that she denied the
3 little stars and happy faces which were in various places around the house. In her
4 writing, the female TV star lies to get a restraining order as part of her harassment, and
5 because I was a witness to the stars, I know that she is doing exactly what she wrote
6 about in "Star Crazy."

7
8 9. It was November of 2004 that I witnessed there were little sticky stars, sticky happy
9 faces, and little stars and happy faces in marker in different places. I recall they were
10 in not so obvious places, like on a door frame, and the fridge, and Mr. Shivers' guitar. I
11 actually asked about them and Mr. Shivers explained that he and Pauley liked these
12 little decorations and they made them happy.

13
14 10. I can also say that I did not notice a difference on February 12th 2006 when I came
15 to help Mr. Shivers move some of his belongings because he was severely
16 incapacitated due to surgery and medication.

17
18 11. It is also my opinion that Pauley is being untruthful regarding the carpeting in the
19 house. As early as November 2004 that carpet showed very obvious signs of years of
20 wear and tear, with various liquid stains on it. To be honest I found it to be disgusting.

21
22 12. At no time did I ever see any "C"'s carved into the walls, either in 2004, 2005, or on
23 February 12th 2006, as I'm told Mr Shivers has been accused of doing. I can
24 confidently state that there was nothing carved in the walls in the blatant manner in
25 which I understand Pauley to be describing them.

1 13. In fact, when I first heard of it my reaction was immediately that she was pulling a
2 "Star Crazy" like Mr. Shivers had feared she would, and it was creepy to remember
3 reading her words about the female TV star carving the poor guys initials into her own
4 car so she could call the police on him.

5
6 14. I have read some of the death threats online, which have been incited as a direct
7 result of Pauley's words, and the only thing I can conclude is that this is exactly the
8 same as when Pauley wrote "for every Jodie Foster there is a John Hinckley. You just
9 have to find him."

10
11 15. All of the above leads me to conclude that Pauley Perrette is without a doubt
12 following her writings in "Star Crazy", and intends on continuing to stalk and harass Mr.
13 Shivers the same way she wrote about.

14
15 16. I can state from what I have witnessed, that Mr. Shivers' fear for his safety is real
16 and genuine, that it has gone on for over two years, that it has accelerated, and that it is
17 impossible for him to live in peace until Pauley's harassment is stopped. It is also my
18 opinion that Pauley will not stop her harassment until a court orders her to do so.

19
20 17. I recall reading through some of her online blog and it was obvious she was still
21 obsessing about him long after the fact, even though I knew firsthand that he had
22 moved on. I hope the court gives him the chance to move on peacefully, and puts an
23 end to the "Star Crazy" Pauley Perrette.

24
25 I declare under penalty of perjury under the laws of the State of California that the

1 foregoing is true and correct. Executed this 4th day of February, 2007
