

Declaration Of Lisa Lynch

I, Lisa Lynch, hereby declare:

1. I know Laura Perrett, who goes by the name Pauley Perrette, very well. Apart from Francis Shivers I probably know her better than anybody else. She was my best friend for years, and we worked together in New York before moving to Los Angeles and eventually living together as roommates. We were so close that Ms. Perrett got TWO matching tattoos with me (a star and a happy face).
2. After reading some of the Declarations filed with this court, I can state confidently that not only does Ms. Perrett make numerous false statements in her Declarations, but that I am certain she has made these false statements knowingly and willfully.
3. I have been present when Ms. Perrett has broke up with lovers in her past, and I can say that she has a history of vindictive behavior towards them, when certainly none was warranted. In particular, I recall her stealing the cat of her ex-boyfriend Daniel Rivas, and then when he wanted to take her to court about this Ms. Perrett filled out the paperwork for a Restraining Order in retaliation.
4. To be perfectly clear about this, I lived with Ms. Perrett and Mr. Rivas at the time, and I would describe him as extremely docile. There was absolutely NO fear of him on the part of Ms. Perrett, and the Restraining Order paperwork she filled out was for the sole expressed purpose of manipulating the court in the issue about his stolen cat. It should be noted that the cat belonged to him before he even met her.

1 5. Ms. Perrett also made a point of using the supposed "Restraining Order" to
2 tarnish the reputation of Mr. Rivas, by telling people she had a Restraining Order
3 against him. Even I believed her story until recently when informed that she had
4 never actually filed the paperwork. In retrospect this made sense, as it's sole
5 purpose was to manipulate the court in the "cat" case, and to influence the
6 opinion of people about Mr. Rivas.

7
8 6. I was also around when Ms. Perrett broke up with her longtime boyfriend Jason
9 Revson, and noticed a similar pattern. Mr, Revson would also be described as
10 an extremely docile person, but after their breakup Ms. Perrett went out of her
11 way to try and make people in their social circles not speak to him. I never
12 understood why she felt the need to be so vindictive.

13
14
15 7. I have read Ms. Perrett's Declarations concerning Restraining Orders against
16 Bebe Buell and I can confidently state that she has misrepresented the situation.
17 It was not Mr. Shivers who was instigating getting Restraining Orders against Ms.
18 Buell, rather it was Ms. Perrett who was eager to file such paperwork. I recall
19 one time when Ms. Buell harassed me at my work, and Ms. Perrett's response
20 was to be excited about the incident because "now we have something on her."

21
22 8. I am aware there is a minor issue involving glow-in-the-dark stars on the ceiling
23 of their bedroom. While I have no knowledge of that bedroom, for what it's worth
24 I can say that I witnessed glow-in-the-dark stars on the ceiling of her bedroom
25 when I lived with her.

9. In closing I would like to state that I have no bad feelings toward Laura Perrett, only towards her actions. I visited her when she was in the Psychiatric Ward of Cedar Sinai hospital, where she was treated for an extended period, and felt great compassion for her mental state, and I tried for years to be a good friend to her. I do wish her the best, but I also stand firm that her behavior can be very vindictive, manipulative, victimizing, destructive, untruthful, morally wrong, and in my opinion obsessive.

10. I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct to the best of my recollection.

Lisa Lynch
